**Background:** ?

## Detailed Inventory

### Currency

#### Galleons

**Amount:** 0

The largest denomination of wizarding Currency. Worth 17 sickles.

#### Sickles

**Amount:** 11

The most common denomination of wizarding currency. Worth 29 Knuts.

#### Knuts

**Amount:** 24

The smallest denomination of wizarding currency.

### Books

#### The Illusion of Thin Air

**Acquired:** Taken from Hogwarts Library

**Cost:** 0

**Amount:** 1

A book containing Trivial and Beginner level Conjuraton spells

### Clothing

#### Hogwarts Robes

**Acquired:** Purchased prior to arriving at Hogwarts

**Cost:** 10

**Amount:** 1

A simple set of black wizards robes with a colourful lining reflecting the Hogwarts House that you belong to. These robes are generally regarded as old fashioned and a bit odd to wear outside of school environs, but not totally unusual.

These robes give you a +1 to all casting checks whilst you are wearing them.

#### Padded Gear

**Acquired:** Simon's Simple Shields

**Cost:** 0.5

**Amount:** 1

A set of thick, padded clothes which protect you from both the environment, and from your foes.

Fortifies your Block value by +2, reduces Dodge by -1

## Shield Hat

---

**Acquired:** Purchased from Weasley's Wizarding Wheezes

**Cost:** £0.5

**Amount:** 1

First developed by the Weasley twins as a prank item prior to the Second Wizarding War, the Ministry took a great interest in the Shield Hat as a defensive item. As a result, an entirely new line of (mostly) serious products were introduced.

Outwardly, the shield hat appears to be a normal pointed wizard's hat, though a peek inside the brim reveals some glowing enchanted runes. Once per day, the wearer can mentally trigger a the hat to produce a shield which projects outwards for a few moments, before quickly fading.

This shield is equivalent to the *Force Field* spell cast at a third level. During the turn cycle in which the field is activated, an ethereal shield blooms into existence around the wearer.

Whenever an attack is performed against you whilst the shield is active, roll 2d4+2 and add this value to your Resist check or your Block value, as appropriate. If a successful Resist would limit the amount of damage taken, negate it entirely instead.

If you fail to Resist, or the Accuracy exceeds your augmented Block value, the shield crumples and the spell is ended. The spell which broke the shield is then applied to you at half damage, with any other effects unmodified. Any other spells which hit you this round act as normal.

## Items

---

### Food Supplies

---

**Acquired:** Flibberdegibits & Watchemecallems

**Cost:** £3

**Amount:** 1

Enough food and supplies to keep you going for a few days

## Moobox of Teleportation

---

**Acquired:** Given by Galen Rex

**Cost:** N/A

**Amount:** 1

An enchanted portkey given to you by the ministry. The outward appearance is of a *Moo box*, a muggle toy in the shape of a cylinder which produces a loud mooing sound when tipped. This one, however, appears to have been warped and broken, because the noise it makes bears very little resemblance to a real cow.

Upon tipping it up twice in rapid succession, the portkey takes you to Hogsmeade.

This object is single-use.

## Peruvian Instant Darkness Powder

---

**Acquired:** Purchased from Weasley's Wizarding Wheezes

**Cost:** £2

**Amount:** 4

A small pouch containing an almost impossibly black, gritty powder.

When tossed into the air, the powder expands and fills a sphere up to 3 metres in radius. The powder is so pervasively black that it prevents all light from passing through it. All sight lines which pass through the afflicted area automatically fail.

## School Satchel

---

**Acquired:** Purchased prior to arriving at Hogwarts

**Cost:** £5

**Amount:** 1

A small over-the-shoulder bag used by Hogwarts Students. Enough room to contain up to two large textbooks and a number of small items.

# Weapons

---

## Helena's Wand

---

**Acquired:** Purchased prior to arriving at Hog-  
warts

**Cost:** Ʒ5

**Amount:** 1
