

Peeve's "Light"-Hearted Fun

A simple encounter for low-level characters based out of Hogwarts. Peeves the Poltergeist is known for his trickery and his pranks – which sometimes veer off into the downright dangerous.

For this encounter, Peeves has somehow managed to get hold of a number of SOLONS, crystalline, elemental entities capable of manipulating light.

SOLON

MoM Rating: III (*Non-Sapient Elemental*)

Solons are lesser elementals hailing from the Radiant Gardens, the Elemental plane of light. They are crystalline creatures, and glow with an inner radiance which shifts and refracts through their bodies as they move.

POLTERGEIST

MoM Rating: II (*Ineffable Phantasm*)

A poltergeist is an amortal, indestructible spirit of chaos and mischief. They appear as a short, childlike figure dressed in a motley jester's garb, with glowing orange eyes, which twinkle with mischief. Brought into existence by a critical mass of humans, trickery and mischief, poltergeists haunt the specific place which they are tied to. Unusually out of apparitions and other spiritual creatures, poltergeists are able to take on physical form and cast primitive forms of magic - which they use to wreak chaos and play pranks on unsuspecting humans.
